Thankful for time with family

We're thankful that we could be with Eric and Brianna for thanksgiving—the first time all four of us have been together in over two years.

Bonnie and I are also thankful for finishing our book—sort of. We have sent it to our editor, but we expect to go over it at least one more time before it's ready to be published. *Pray the Lord will help us all to finish it well, and that He would glorify himself through it and use it in many lives.*

Please also pray for the translators as they work on Acts this month in Arop village.
